Sir:-

Mr. William S. O. English of Spirit River was a squatter on Lot 12 Lesser Slave Lake Settlement before the first Treaty. He had considerable improvements on it and was in peaceable possession of same at the time of the Treaty, as shown by his declaration taken before the Treaty Commissioners at Lesser Slave Lake in 1899 and would apparently be entitled to it as a Free Grant under Section 76, sub-section 3 of the Dominion Lands Act.

The year following the Treaty (in 1900) these lots were all flooded out by the high water and the occupants forced to move off. The land has been under water practically the whole time since and is of practically no value whatever.

Mr. English moved to Spirit River in 1900 and now wishes to know if the Department will allow him a Free Grant there in lieu of the above. He was one of the original pioneers of this country and was one of the first to demonstrate the grain growing possibilities of the Spirit River country and I think his case is deserving of some recognition by the Department so would recommend that his request for a Free Grant at Spirit River be granted in place of Lot 12 Lesser Slave Lake, which is valueless.

R. Lowdrie

Sir,-

I beg to acknowledge the receipt of your letter of the 13thof July last, your file 1607, which I regret to say was inadvertantly filed away an not until this late date acted upon, and in reply to say that according to the records here Lot 12, Leaner Slave Lake Settlement, is vacant nor does Mr. W. I wrote to you some time ago but did not receive any answer in regard to my land claim. I came to the Peace River district in 1897 and settled at Lesser Slave Lake. I spent one winter there and then moved to Spirit River where I have lived ever since. I took up a quarter section of land in 1897 at time of first Treaty before Major [illegible] and applied for Patent. The land I settled on was surveyed some time after by Mr Talbot [illegible] Lot 12. At the time of survey the [illegible] is that locality all built their cabins on the water front of high water. The water was so high that it was impossible to use oats and crops were destroyed and I moved back to the Spirit River district and have lived there ever since. I have my home and [illegible] on Lot 12 and have improved it. I have been to Mr Tompkins office in Edmonton and spent a thousand dollars in improvements on the land. I have been living on the land continuously since 1897 and have never been absent from it for more than three months at a time. I have followed the Treaty Party around from place to place and have been to Spirit River and have lived there continually since that time and have followed the Treaty Party around from place to place and have been to Spirit River and have lived there continually since that time.

2265966

At present and since that time there has been nobody living in their places there as the water floods that part nearly every spring so bad that it is impossible to get around there.

The other residents have all moved and most of them taken their buildings and located elsewhere.

I moved to Spirit River Settlement and have lived here continually since that time and have followed farming ever since.

I wish to have my Free Grant right transferred from Swan Lake to Spirit River Settlement.

I have spoken to Mr Tompkins Dominion Land agent at Edmonton and he advised me to write to the Dept at Ottawa

Dear Sir:-

According to Dominion Land Act all settlers located on land in ~~the Peace River District~~ and Athabasca District are entitled to a free grant of the land they occupied at the time.

I was located at Willow Point on the West end of Lesser Slave Lake before the first Indian Treaty 1899 and made declaration for same before Major Walker who was acting Land Agent with the party.

A short time after Mr Talbot D.L.S. surveyed this settlement and at time of survey had to wear high rubbers and boats to work and everybody had to abandon their clothing and move elsewhere as we had to go right to our houses in order and tie them at our knees

226243

and also make walks in our raised houses as there was from 4 inches to a foot in some houses.

Nearly everybody pulled down their buildings and moved to higher ground but the settlement still continues to be flooded nearly every Spring and at times York Boats can be taken over the flat.

I moved from there to Spirit River and have lived here ever since farming and ranching and am one of the oldest settlers in the settlement.

I would like to have my Dominion Grant Right transferred from Lesser Slave Lake to Spirit River and have spoken to Mr. Lanpheire concerning this and he advised me to write to the Dept of Interior

I have not taken out my
deed for the place I am living
on yet as I thought it better
to wait till I hear about
the Free Grant.
Hoping to hear from

MEMORANDUM:-

Lots Nos.39 & 41, Birch River Settlement.

Messrs A.F.Calvin and W.S.Coulson squatted at Birch River living together in one cottage. When the survey was made it cut their land into two river lots, Nos.39 and 41. They have made valuable improvements and own a herd of horses, a herd of cattle and valuable farming implements. Their house and all the buildings for same are on lot No.39.

They have cut two-thirds of lot No.41, 15 acres of which is under crop, and the cultivation is to be allowed to only for extent without further cultivation thereon.

Mr.Calvin in a subsequent letter says that, as lot No.41 contains only 126 acres, he might be permitted to secure lot No.42 adjoining, containing 160 acres, and thus have his buildings over and above his crops.

Mr.Coulson in a separate communication states that he understood when a lot at Swan Lake should be laid out the entire survey that was found to contain in Swan Creek [illegible] and that he would be allowed to [illegible] as well as Mr.Calvin, each [illegible]. Sir,

With reference to your letters of the 27th September and 13th October last, in relation to your desire to acquire Lot 30, Spirit River Settlement, I am directed to inform you that, provided you are eligible, there would appear to be no objection to your making homestead entry for this land and the Agent of Dominion Lands at Edmonton is being advised to that effect by a copy of this letter.

I am to add that there is no statutory authority under which your claim to a free grant of a lot in lieu of one already settled could be transferred to any other land.

Ottawa, 9th February, 1914.

[illegible] :-

I beg to return your Ref.No.3853, and to report that the claim of Antoine Roy for a free grant of the land of which he was in occupation at the date of the extinguishment of the Indian Title, and which is a portion of what is now Lot No.11, Lower Lake Lake Settlement, would appear to be satisfactorily established, and steps are now being taken to obtain an Order in Council authorizing a grant of the whole of Lot No.11, which contains 80.80 acres to Mr.Roy, who will thus obtain a larger area than that applied for in his declaration before Commissioner Walker in 1908.

Mr. Roy's application to have Lot No.12 Lower Lake Lake Settlement, containing 40.70 acres, included in his free grant, cannot be complied with, as it is the invariable rule of the Department to confine such grants to the one lot of which the applicants were in occupation at the date of the extinguishment of the Indian Title. The survey of the lots in these cases has, in far as practicable, been made so as to cover the land occupied by the applicants at the date of the Treaty.

In any event, Lot No.12, could not be granted to Mr.Roy as it is claimed by one Adam [illegible] by virtue of his occupation at the time of the extinguishment of the Indian Title.

The claim of one [illegible] for a free grant of Lot No.12, referred to by Mr.[illegible], was not allowed, and Mr.J.S.G.Boulton made a [illegible] entry for Lot No.12 Split River Settlement.

Angus Morrison who, in his Declaration made before Commissioner Walker at Lesser Slave Lake on the 10th July, 1899, also on this file, states that he first settled and made improvements on the land applied for in August, 1893, and occupied it ever since. He also had a house 16 x 18 value $80.00, a stable 12 x 16 value $20.00 and pickets set up for a fence value $5.00, also a wall.

No application has been received from either Mr.Morrison or Mr.Pearce, since the date of their Declarations before Commissioner Walker in 1899, and I beg to recommend that the papers, including the Declarations of Mr.Morrison, Mr.English and Mr.Pearce be sent to the Agent of Dominion Lands at Prouard for investigation and report.

In this connection please see my memorandum of the 9th instant, to the Deputy Minister, respecting the application of Ambroise Grey, for Lot No.12.

I may say that when dealing with these claims at Lesser Slave Lake, the Department has experienced great difficulty in identifying the lots as surveyed with the parcels of land claimed on account of occupation at the date of the Indian Treaty and described in the Declarations made before the Commissioner.

Lot 12, Lesser Slave Lake settlement, 40.7 acres

Replying to your memorandum of the 23rd ultimo, respecting lot No.12, Lesser Slave Lake settlement, I beg to report that, as the improvements made by William English, were of practically no value, it was not considered that he was entitled to a free grant of this lot by virtue of occupation at the date of the extinguishment of the Indian Title.

According to his Declaration on this file, (Market), made before Commissioner Walker on the 11th July, 1899, Mr. English only settled on the lot for which he applied on the previous day, July 10th, 1899, he did not reside nor had he any buildings thereon, but had $50.00 worth of lumber on the ground. This lot, which he subsequently abandoned, is described by Mr. English as lying on the south side of the street, he would, therefore, have no claim to what is now lot No.12, as this lot lies north of the street, and Mr. Alex. McKinnon, who, it is represented, purchased from W. Inglis (probably William English), would have no claim to that lot through Mr. English.

One, William Pearce, would also appear to claim this land lying south of the street, by occupation at the date of the Treaty, according to his declaration made before Commissioner Walker, as he had thereon a portable saw mill, frame house and made the first improvements in April, 1899.

What would now appear to be Lot No.12, Lesser Slave Lake Settlement, is claimed by virtue of occupation at the date of the extinguishment of the Indian title by [illegible].

About the 1st of [illegible] last, I wrote to my brother-in-law, Ambrose Grey, of Dresseau Post Office, Alberta, in regard to a patent to be issued in my name for Lot No. 12, Lesser Slave Lake, containing about forty-nine acres, more or less, which ground I had acquired under settler's rights in connection with the treaty to the half-breeds in the North West Territories. My brother-in-law has informed me that a patent had been issued to him for the adjoining lot under the same conditions as myself, and I am anxious to procure word from the Department, as to what steps would be taken by myself to perfect my title to the said Lot No.12, as my brother-in-law has not answered my said letter.

I am sending you, herewith, a declaration from Mr. W. S. O. Memorandum,-

Replying to your memorandum of the 8th instant, requesting a report respecting the application of J. S. C. English, of Spirit River, for a free grant on account of residence and occupation at the date of Treaty No. 8, I beg to state that Mr. English would appear to have made application for a free grant at Lesser Slave Lake Settlement on the ground of residence and occupation at the date of Treaty No. 8.

The file relating to his application, (Ref. No. 1686152) was sent to the Agent of Dominion Lands at Edmonton on the 15th March last, for investigation and report in connection with the claims of Angus Morrison and William Pearce to parcels of land at Lesser Slave Lake Settlement.

No report on any of these claims has as yet been received. The Agent, however, under date of the 9th August last, states that the Homestead Inspector had gone to Fort Vermilion to make inspections that had been lying over since last Fall, and that, upon his return, he would be asked to at once report upon the Lesser Slave Lake claims.

In this connection, I may state that the application of Mr. J. S. C. English for homestead patent for Lot No. 39 Spirit River has been received. He was advised on the 14th instant that before it could be accepted it would be necessary for him to forward to the Department $6.00 payment for excess area at $6.00 an acre.

As soon as the Inspector's report has been received the matter will receive attention.

Ottawa.

Sir:-

Some time ago I wrote the Department concerning a Tree Grant at Spirit River. Accompanying my letter I made a sworn declaration which was a formal application. At the time of Treaty No 8 1899 I was located on a piece of land at Lesser Slave Lake and made application for it before Major Walker who was commissioner at that time.

That fall the water raised on the Lake and myself among the other residents had to vacate our claims as the

The Spirit River Conservation Association

water got so high that we
had to go and come to our
houses in boat.

Since that time all buildings
have been moved from that
section of the Lake and there
is no settlement there since
on that account.

I came from [illegible] to
Spirit River and have resided
here ever since farming.

At the time of Treaty we
were promised the land we
occupied as a Free Grant.

I ask that I be allowed
to file on a piece of land
here as a Free Grant in
exchange of my rights at
Green Slave Lake as all my
interests are here now.

The Spirit River Conservation Association

My request is only [illegible]
right as the half-breeds
got scrip, the Indians got
Treaty and the white men
who were in the country befor
the [illegible] Treaty got nothing,
at least the majority of them.
Thanking you in anticipation
I am Yours Truly
W. S. C. English.

Dear .

This application was, with others, referred to the Inspector of Agencies in the 9th July, 1910. They were all returned by him on the 14th September following. He stated in his covering letter, on file 217378, that he had been unable to gain any definite knowledge of these cases but had given to the Agent at Lesser Slave Lake a copy of the description sent him of the land claimed by each settler, and that the Agent will from time to time make inquiries regarding these claims and will give to him, or direct to the Department, any information he may obtain.

Amos Morrison who, in his examination made before Commissioner Walker at Lonner Lake on the 16th July, 1900, also on this file, states that he first settled and made improvements on the land applied for in August, 1895, and occupied it ever since. He has built a house 16 x 16 value $80.00, a stable 12 x 18 value $60.00 and fifteen rods of fence value $6.00, also a well.

No application has been received from either Mr.Morrison or Mr.Pearce, since the date of their Declarations before Commissioner Walker in 1900, and I beg to recommend that the papers, including the Declarations of Mr.Morrison, Mr.English and Mr.Pearce be sent to the Agent of Dominion Lands at Prince Albert for investigation and report.

In this connection please see my memorandum of the 5th instant, to the Deputy Minister, respecting the application of Antoine Grey, for Lot 10.13.

I may say that when dealing with these claims at Lonner Lake, the Department has experienced great difficulty in identifying the lots as surveyed with the parcels of land claimed on account of occupation at the date of the Indian Treaty and described in the Declarations made before the Commissioner.

Commissioner:-

Lot 10,Lonner Lake Half Settlement,47.7 acres

Replying to your memorandum of the 22nd ultimo, respecting Lot No.10,Lonner Lake Half Settlement, I beg to report that, as the improvements made by William English, were of practically no value, it was not considered that he was entitled to a free grant of this lot by virtue of occupation at the date of the extinguishment of the Indian title.

According to his examination on this file, (Parker), made before Commissioner Walker on the 16th July, 1900, Mr.English only settled on the lot for which he applied on the previous day, July 15th, 1900, he did not reside nor had he any buildings thereon, but had fenced off a portion of the ground. This lot, which is subsequently described by Mr.English as lying on the south side of the street, he would, therefore, have no claim to that is now lot No.10, as this lot lies north of the street, and Mr.Alex.Pearce, who, it is represented, purchased from Mr.English (probably William English), would have no claim to that lot through Mr.English.

One,William Pearce,must also appear to claim land lying south of the street, by occupation at the date of the Treaty, according to his examination made before Commissioner Walker, as he has thereon a portable saw-mill, frame house and the first improvements in Carrot,Lone.

What would now appear to be lot No.10, Lonner Lake Settlement, is claimed by virtue of occupation at the date of the extinguishment of the Indian Title by

Some two months or more ago I addressed a wire to the Department, asking leave to homestead River Lot 12, Lesser Slave Lake Settlement. I made application at the Grouard Dominion Land Office and was told that application had been made for this property as a free grant.

I am under the impression that a small portion of this River lot is eligible fro free grant, some six acres, south of the new present road and would ask that the Department consider this request and instruct the Dominion Land Office here to allow my application for homestead.

28th November, 1913.

Gentlemen,

Replying to your letter of the 11th ultimo, in relation to the claim of Mr. William Pearce to Lot numbered 12, Lesser Slave Lake Settlement, I beg to inform you that the file covering your letters of the 24th September last and the 11th and 13th August last, with enclosures, has been found but that the file relating to previous correspondence in connection with this land has not yet been located.

I may add, however, that the said lot is also the subject of a claim by Mr. Angus Morrison and that the Agent of Dominion Lands at Edmonton is being requested to enquire fully into the matter and to endeavour to ascertain whether Mr. Pearce or Mr. Morrison has a prior right to the land. In the meantime, your client might be requested to advise the Department if he made statutory declaration in support of his claim before the Treaty Commissioners at the time of the conclusion of Indian Treaty No. 8 in the summer of 1899 and, if not, to state the reason for his failure to comply with this requirement. He might also say if he made declaration before the surveyor who surveyed the land.

Upon receipt of the report called for the matter will be given further consideration and you will be duly advised.

Your obedient servant,

The Governor General in Council.

The undersigned has the honour to report that application has been made by Mr. Allen Carey of Calgary for a free grant of lot numbered 11, Leeper Cove Indian Settlement, in the province of Alberta, by virtue of occupation of the land at the date of the establishment of the Indian title.

Evidence has been filed in support of the said application in actual occupation of the land in question at the date of the creation of Indian Treaty No. 7 in the summer of 1877, the undersigned, therefore, is of opinion that, under the provisions of section 7 of the Indian Act, a free grant be authorized to Mr. Carey of lot numbered 11, Leeper Cove Settlement in the province of Alberta, containing by measurement 41.7 acres, more or less.

All respectfully submitted,

[illegible]

LAND PATENTS BRANCH. Ref.No.2143487.

O.C.

Ottawa. 9th February, 1912.

MEMORANDUM : -

I beg to return your Ref.No.2655, and to report that the claim of Ambroise Grey for a free grant of the land of which he was in occupation at the date of the extinguishment of the Indian Title, and which is a portion of what is now Lot No.11, Lesser Slave Lake Settlement, would appear to be satisfactorily established, and steps are now being taken to obtain an Order in Council authorizing a grant of the whole of Lot No.11, which contains 39.80 acres to Mr. Grey, who will thus obtain a larger area than that applied for in his declaration before Commissioner Walker in 1899.

Mr. Grey's application to have Lot No.12 Lesser Slave Lake Settlement, containing 46.70 acres, included in his free grant, cannot be complied with, as it is the invariable rule of the Department to confine such grants to the one lot of which the applicants were in occupation at the date of the extinguishment of the Indian Title. The survey of the lots in these cases has, as far as practicable, been made so as to cover the land occupied by the applicants at the date of the Treaty.

In any event, Lot No.12, could not be granted to Mr.Grey as it is claimed by one Angus Morrison by virtue of his occupation at the date of the extinguishment of the Indian Title.

The claim of one English for a free grant of Lot No.12, referred to by Mr.Morrison, was not allowed, and Mr.W.S.C.English made a homestead entry for Lot No.39 Smith River Settlement.

MEMORANDUM:-

I beg to submit, for consideration and decision, the letter of the Agent of Dominion Lands at Grouard, dated the 29th December last, enclosing the application of Ambroise Grey for a free grant of Lot.No.11, Lesser Slave Lake Settlement. The evidence submitted showing Mr.Grey to have been in personal and peaceable possession of the above mentioned Lot at the date of the conclusion of Indian Treaty No.8, in the Summer of 1899, is supported by the Statutory Declarations of Joseph F. Ferguson and Sydney L.Smith, both of Grouard, and is recommended by the Agent of Dominion Lands.

I, therefore, beg to recommend that a free grant of the said Lot No.11, Lesser Slave Lake Settlement, be authorized under the provisions of sub-section (c) ~~section (e)~~ of Section 76 of the Dominion Lands Act, to Ambroise Grey. An O. in C. will be required

In this connection, I beg to call your attention to my memorandum of the 9th instant, to the Deputy Minister, on this file, in reference to the claim of Mr. Grey to the Lot in question.

The Minister of the Interior submits, under date 24th February, 1911, that Mr. Ambroise Grey has made application for a free grant of Lot numbered 11, Lesser Slave Lake Settlement, by virtue of occupation of the land at the date of the extinguishment of the Indian title.

The Minister states that evidence has been submitted by the Agent of Dominion Lands at Grouard from which, and from further evidence in the form of a statutory declaration executed before the Half breed Commissioner in 1899, it appears that the applicant was in peaceable possession of the land in question at the date of the conclusion of Indian Treaty No 8 in the summer of 1899.

The Minister, therefore, recommends that, under the provisions of Sub-section (c) of Section 76 of the Dominion Lands Act, a free grant be authorized to Mr. Grey of Lot numbered 11, Lesser Slave Lake Settlement, containing by admeasurement 29.8 acres, more or less.

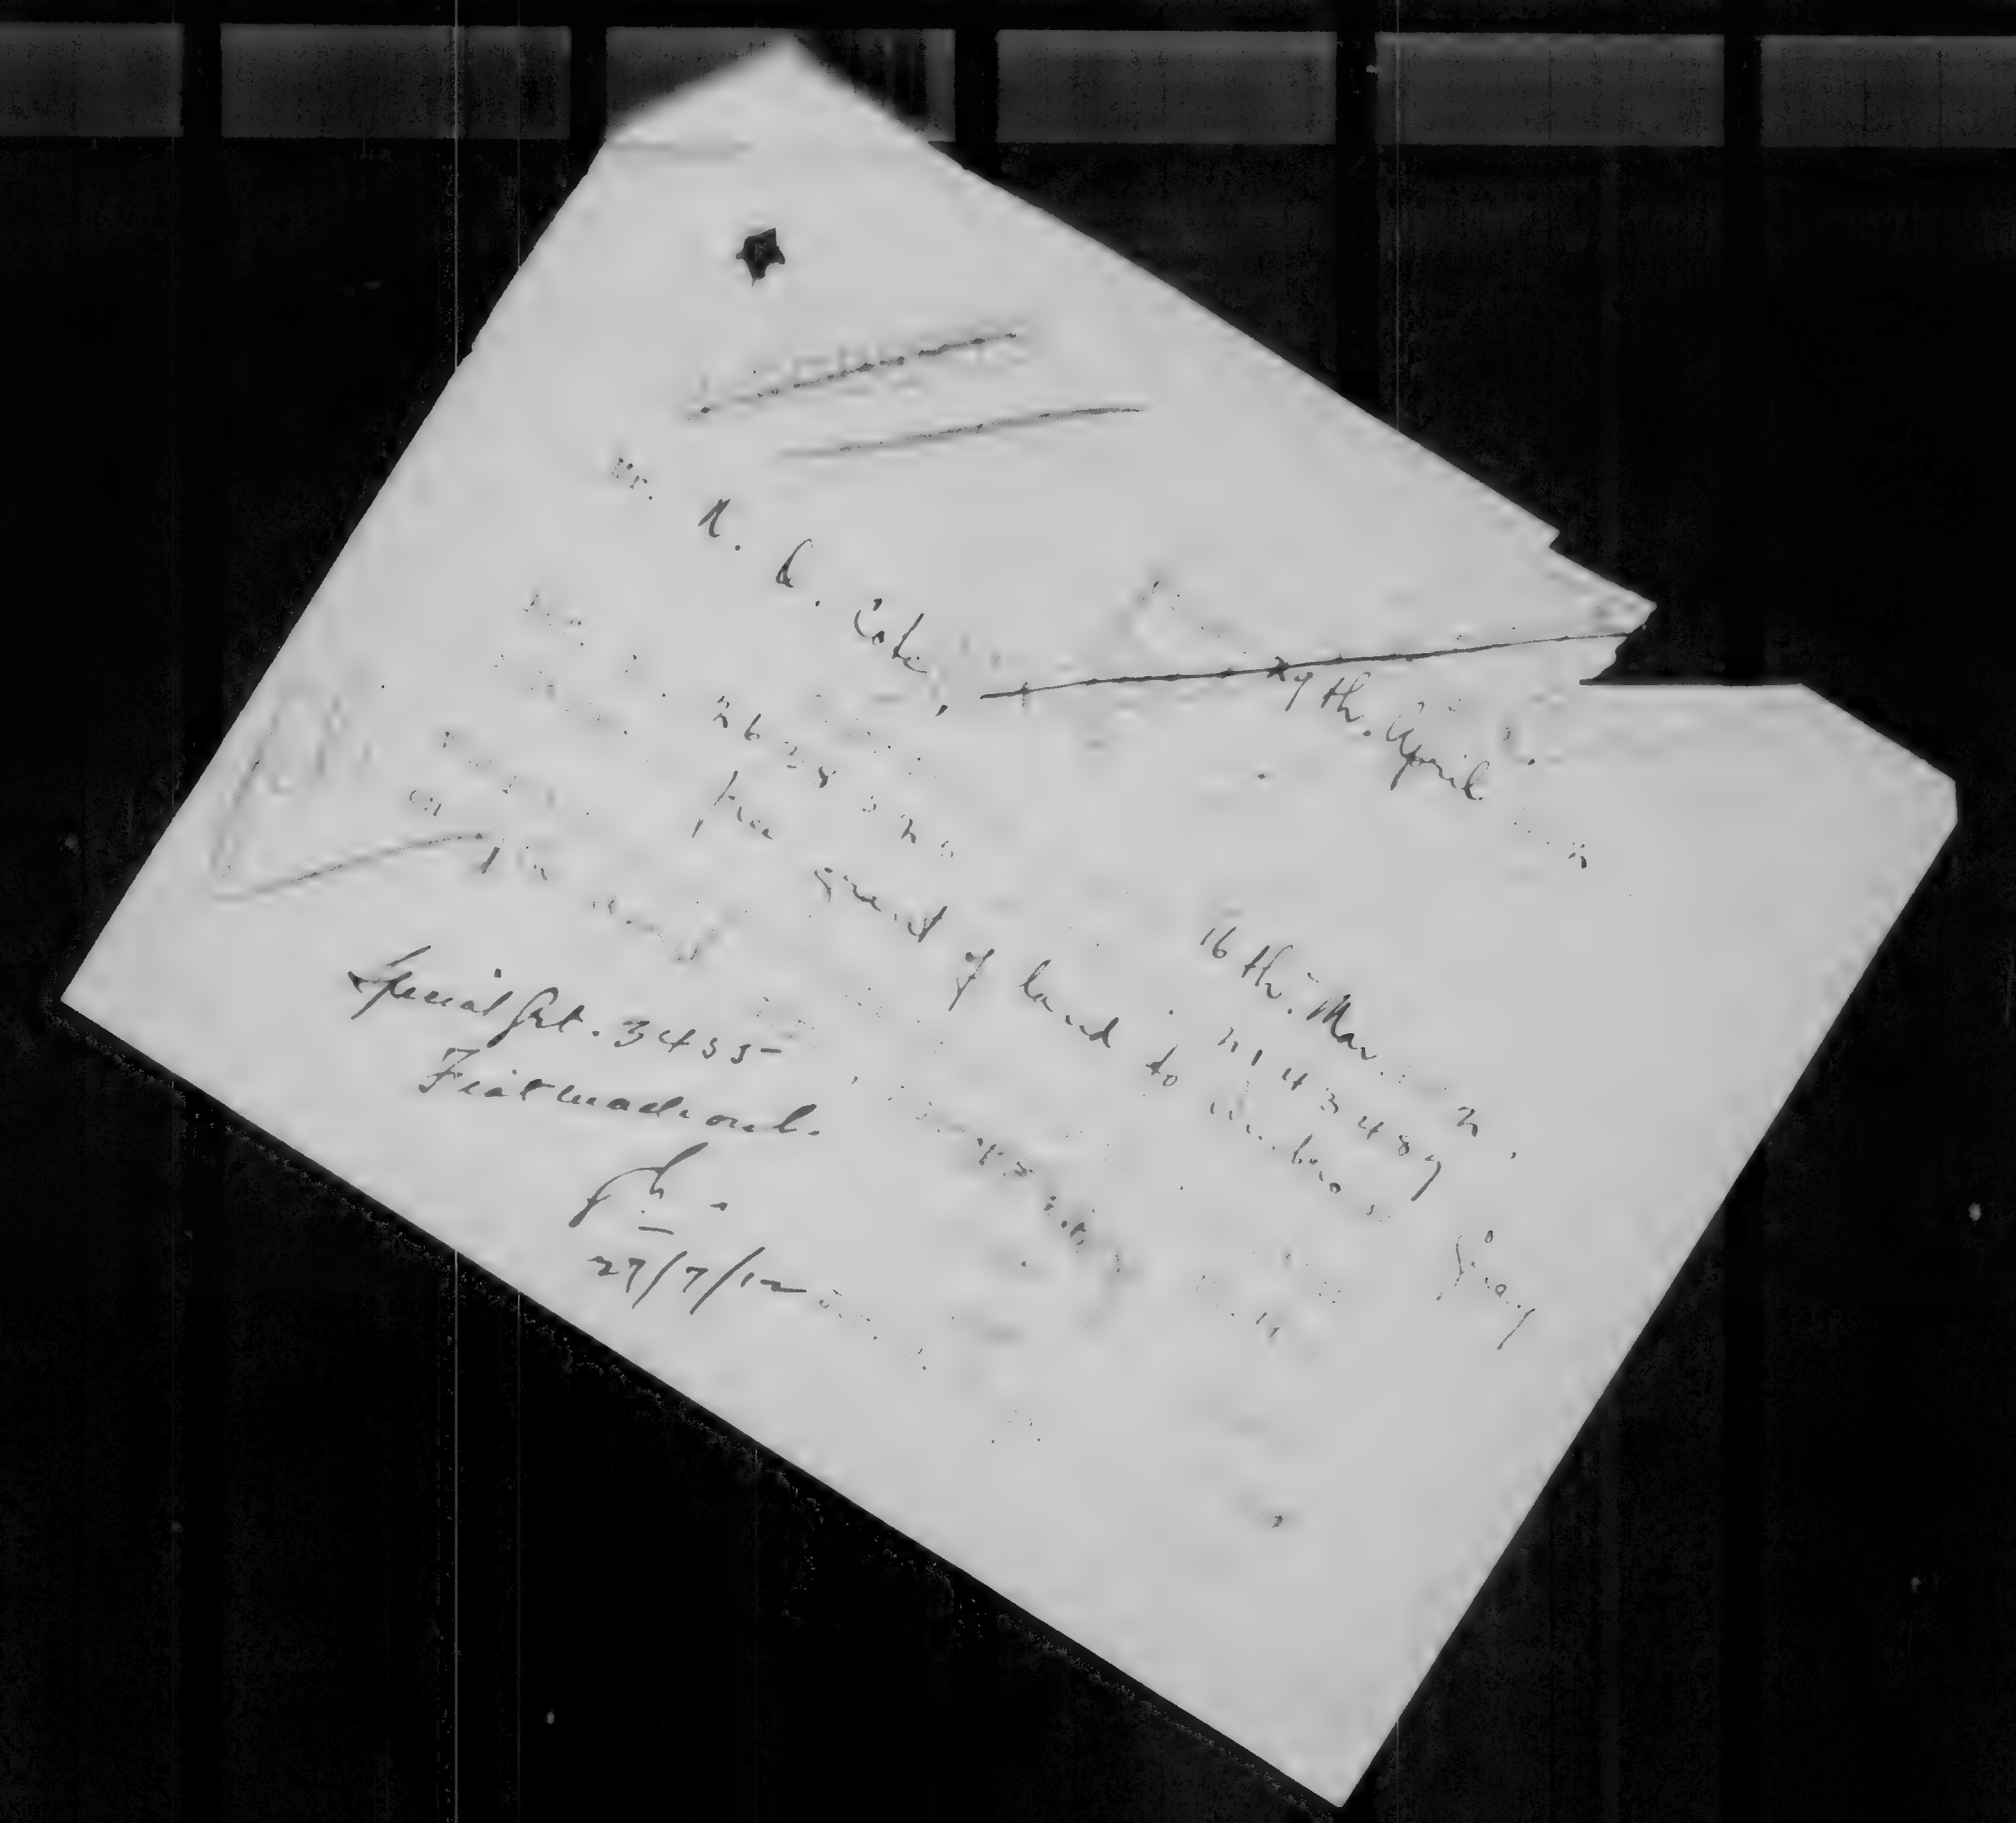

The Committee submit the same for approval.

15, West of the Fifth Meridian. I beg to say that Father Giroux in August last was granted homestead entry for the S.½ the N.½ of the quarter section being included in Buffalo Bay of this quarter section (File 2499801 herewith). The Mission also appears to claim the said S.½ of the quarter section, together with the N.½ of the N.E.¼ of Section 35, Township 75, Range 15, West of the Fifth Meridian, through purchase from Peter Andrews several years before Treaty and applied for the same before the Half breed Commissioners in 1899. A copy of what is purported to be a bill of sale of this land from Peter Andrews to the Mission is on record (File 2499801). As, however, Peter Andrews claimed Lot 38, Lesser Slave Lake Settlement, before the Treaty Commissioners in 1899 and was granted patent therefor in April, 1905, the claim through him to the lands in question cannot be recognized. I would also point out that the Mission in the declaration made before the Treaty Commissioners in 1899 stated "This land was acquired by the "Mission from Peter Andrews, the original holder, on the 6th "October, 1891, by deed of sale, a copy of which is hereto "annexed. The land has been used ever since that date, chief- "ly as hay land and the Mission must rely largely upon the hay "derived therefrom for the maintenance of its stock and horses, "so much so that, were it deprived of this source of supply, "its present operation would have to be largely curtailed, if "not discontinued." This cannot be considered as establishing their claim to a grant of the land as the provisions of sub-Section (c) of Section 76 of the Dominion Lands Act demand that they or their agents must establish personal occupation thereof. Further, as stated by the Mission, the land is required by them for hay but Father Giroux, in making entry for the S.½ of Section 2, Township 76, Range 15, West of the Fifth Meridian, stated that it was his intention to break some of the quarter section and cultivate it.

Father Giroux expresses himself as willing to abandon the latter parcel in favour of the Mission in the event of its claim being allowed. The said N.½ of the N.E.¼ of

Re claims of the Roman Catholic Mission to a free grant of the N.W.¼ 26-75-15, W. 5th M. and the S.E.¼ 2-76-15, W.5th M. Shown on the attached sketches outlined in red

With reference to your memorandum of the 3rd August last, respecting the first mentioned parcel, I beg to say that the application made before the Treaty Commissioners in 1899, by the Sisters of Providence which would appear to refer to this land, sets forth that it is used only in connection with the ~~St. Bernard Mission~~ Convent as a grazing ground for the cattle required ~~for the Mission~~, and the applicants would not appear to have established their claim under the provisions of sub-Section (c) of Section 76 of the Dominion Lands Act.

I would further point out that this land was entered for as a homestead by Mr.J.O.See in June last, the entrant declaring that there were then no improvements on the land. The Agent of Dominion Lands at Grouard stated that Father Giroux, on behalf of the Roman Catholic Mission, states that at the time See made entry the Mission had the following improvements:

3 wire hay corrals, valued at	$60.00
3 pole " " "	$75.00
1 acre brushed, valued at	$25.00

The Agent does not report further concerning this but states that, in November last Mr. See had the following improvements on the land:-

1½ miles wire fencing, valued at	$75.00
1 log shack, valued at	$60.00

Father Giroux further states that the Mission would be willing to accept another quarter section and allow See's entry to stand but, as their claim to the parcel under consideration would not, as stated, appear to be established, this phase need not, I think, be further considered.

Re claims of the Sisters of Providence to land at Lower Slave Lake.

Rev. Sister Marie-Anne dit claimed before the N.B. Comm.n of 1899 a parcel of land situate on S. side of Grouse Creek at about 1 mile from Buffalo Lake extending along said Creek from east to west at half a mile and from North to South from the Creek about one mile.

This parcel appears, according to Mr. Ballenden, to correspond with the S.E. 1/4 26-75-15 W.5th which was entered for on the 12th June 1911 by John A. Lee - the Agent at Edmonton reported on the 11th Nov. 1911 that Father Grouard had previously informed him that this quarter section was claimed by the Sisters before the N.B. Commission and that

3 wire hay corrals, valued at	$60.00
3 pole hay corrals, valued at	75.00
Brushed 1 acre, valued at	25.00
Total....	$160.00

The value of these improvements would not appear to have been collected by the Agent as no payment for the same has been reported to the Department.

The S.E.¼ of section 24--75--15, West 5th Meridian, mentioned by Father Falher in his letter of the 6th May last (attached herewith), as the Sisters' (Land does not appear to have been claimed by the Mission or the Sisters prior to the entry granted therefor to B. A. See on the 21st June, 1912.

The S.E.¼ 8--74--13 West 5th Meridian, now applied for by the Sisters in compensation for the land originally claimed by them is vacant and available.

As pointed out in my memorandum of the 8th instant, the S.E.¼ of section 24, township 75, range 15, West 5th Meridian, is available according to the records of this Branch, but there appears to be no authority under the Dominion Lands Act under which a grant thereof could be made to the applicants in lieu of the land above mentioned. If, however, it is considered that their claim is worthy of consideration, the quarter section now applied for- S.E .¼ 8--74--13, West 5th Meridian, might be sold to them with the approval of the Minister at a nominal rate of $1.00 an acre.

In this connection your attention is also called to my memorandum of the 22nd May, 1912, attached to File 2143492, which is one of the files you sent to me and which you state has been held in the Deputy Minister's office for submission to the Minister.

Re claim of the Sisters of Providence to land at Lesser Slave Lake.

Rev. Sister Marie-Amélie claimed before the Halfbreed Commission of 1899 a parcel of land situate on the South side of Giroux Creek, at about one mile from Buffalo Lake, extending along the creek from East to West at half a mile and from North to South from the Creek about one mile.

This parcel appears, ~~according to Mr. Selby's~~ to correspond with the N.W.¼ 6--75--15, West 5th Meridian which was entered for on the 17th June, 1911, by John O. See. The Agent at Grouard reported on the 11th Nov. 1911 that Father Giroux had previously informed him that this quarter section was claimed by the Sisters before the Halfbreed Commission and that at the time of survey he had informed Surveyor Selby of this fact verbally, but made no declaration before him. My dear friend.

Here are in a few words the particulars about these lands which we are claiming from the government — one of these, on Buffalo Lake, in the bay was taken in 1890 — the other, located on the shores of the same lake but on the west side, was bought from a half-breed by the name of Peter Andrews in 1891 — and the third one was taken for the Rev. sisters of Providence; this one is in the vicinity of the Vermilion River (year of occupation 1894). — On these lands we have done a great amount of work. The government seemed to acknowledge our rights on these lands for in 1894 we were asked to make our applications, which applications were signed conjointly by mine with us.

I claim personaly the first piece of land

I have now lived twenty three years since I am living in that country and I have never seen a piece of land - Twenty three years residence in a country should be worth something

The second piece of land I claim for Father - A Settler who has lived in that country during the past 15 years and whose he has ideal hand.

Like many other settlers we could have taken our grants and made homestead Entries but we did not do it because we were relying on the promises of the government.

The third piece of land I claim for the children of Providence who have now been established at Emerald 18 years and who do not own a foot of land - I believe that they should be treated better than this. In addition, the government might say that lands were given to the settlers and to the Fathers - this would be a mistake for land were given to the Principal corporation but never the Farmers or to the settlers.

If the government does not wish to give us these particular pieces of land, will they not allow us to take other pieces of vacant lands in some other part of the country and these pieces to have the same area

I wish our right will prevail.

Trusting in the straightforwardness of your friend to help us in our reclamations

I am

Chief of Branch.

15, West of the Fifth Meridian, I beg to say that Father Lacroux in August last was granted homestead entry for the S.½ the N.½ of the quarter section being included in Buffalo Bay of this quarter section (File 1499631 herewith). The Mission also appears to claim the said S.½ of the quarter section, together with the N.½ of the S.E.¼ of Section 28, Township 75, Range 15, West of the Fifth Meridian, through purchase from Peter Andrews several years before Treaty and applied for the same before the Half Breed Commissioners in 1899. A copy of what is purported to be a Bill of Sale of this land from Peter Andrews to the Mission is on record (File 1499631). It, however, Peter Andrews claimed not to have effected settlement, before the Treaty Commissioners in 1899 and was granted patent therefor in April, 1901, the claim through him to the lands in question cannot be recognized. I would also point out that the title for in the declaration made before the Treaty Commissioners in 1899 states "This land was acquired by the Mission from Peter Andrews, the original holder, on the 6th October, 1891, by deed of sale, A copy of which is hereto annexed. The land has been used ever since that date, chiefly as hay land and the Mission must rely largely upon the hay derived therefrom for the sustenance of its stock and horses, so much so that, were it deprived of this source of supply, its present operation would have to be largely curtailed, if not discontinued." This cannot be considered as establishing their claim to a grant of the land on the provisions of subsection (a) of section 76 of the Dominion Lands Act inasmuch that however their cattle may establish personal occupation thereof, as stated by the Mission, the land is required by them or any other Indian, in which event the S.½ of Section 2, Township 76, Range 15, West of the Fifth Meridian, stated that it was his intention to break some of the quarter section and cultivate it.

Father Lacroux has made himself willing to sign the latter parcel in favour of the Mission in the event of the claim being allowed. The said N.½ of the N.E.¼ of

In 1899 I appeared before the Half Breed Commission at Lesser Slave Lake and put in my application for a Free grant of my place at Prairie River giving location etc. Reference to your files will no doubt establish the above.

I have heard nothing since from the Department and should be much obliged if you would look into this matter and advise me as to what would be needful to establish my claim.

S.E.¼ 10-74-16,7.5th M.
Pat'd on the 21st July last as a free grant to Joseph Big Charles.

In connection with the above land, I beg to call your attention to the letter of the 11th August last, hereunder, from the Agent of Dominion Lands at Grouard, wherein it is set forth that apparently ~~both~~ Big Charles and one, Paul Mistanosk, were both on the above land before Treaty, under the impression that they were on separate quarter sections, survey showing the buildings of each to be on the land in question.

The Agent of Dominion Lands recommends that Mistanosk, upon his relinquishing all claim to the said S.E.¼ of Section 10, be permitted to select a free grant elsewhere, but I would point out that in reply to question No.22 in the Declaration executed before Half Breed Commissioner Walker in July, 1899, Mistanosk states "as I have no house of my own yet, only the logs, I do not really stay on my own claim but stay with Charles Montagnais (or Big Charles) who is my father-in-law." From this and the answers given to questions Nos.38 and 42, it would appear that the matter has been more or less of a family affair and that Mistanosk has no claim which the Department would be justified in recognizing.

Sir,

Replying to your letter of the 15th August last, in relation to the claim of Paul Mistanosk to the S.E.¼ of Section 10, Township 74, Range 16, West of the Fifth Meridian, which land was patented in July last as a free grant to Joseph Big Charles, I am directed to inform you that, in the declaration executed before Half Breed Commissioner Walker in July, 1899, Mistanosk stated that "as I have no house of my own yet, only the logs, I do not really stay on my own claim but stay with Charles Montagnais (or Big Charles) who is my father-in-law." From this and from further evidence in the above declaration, it appears that the matter has been more or less of a family affair and it has been decided that Mistanosk has no claim which the Department would be justified in recognizing.

Dear Sir,-

I beg to state that through some misunderstanding or through the fact that my evidence was not properly interpreted, I was made to say before the Half-breed Commissioner in 1899, "that I was living with Big Chas Montagnais and that it was my permanent residence." This is an error, Chas Montagnais is my father-in-law and I sometimes visit there for a while.

I had a house on the place mentioned in my application, in the year 1898 and was in residence there.

Before Treaty in 1899 I had logs for new buildings on the land and built a house 21 x 22 feet with a shingle roof, stable for four team of horses and a cow shed. I also had 1500 yards of fencing and broke and cropped what I calculated to be five acres, for six years after treaty was paid. The houses are standing yet and in fair repair also stable, but they are on the quarter which Joseph Montagnais (Big Chas) first homesteaded and then got as a free grant, the South East quarter of section 10, Township 74, Range 16, West 5th Meridian. The distance between my house and Joseph Big Chas' house is about half a mile and the distance between my house and Big Chas' house is about the same distance. ie, one half mile. As I was only the only one to put in an application before the proper authorities I think I should have had consideration before anyone else. At survey I happened to be away but the description of claim in my application is such that there could have been no error if the surveyor had been supplied with a memorandum.

I am enclosing affidavits in support of the foregoing, I would respectfully ask the Department to give my claim consideration and ask that I be allowed a quarter somewhere else.

Memorandum:

Re request of Mr. Sydney L. Smith to have the claim of Paul Mistanosk to a free grant further investigated by the Agent of Dominion Lands at Grouard.

Mistanosk made declaration before the Treaty Commissioners in 1899 for what would appear to be the S.E.¼ of Section 10, Township 74, Range 16, West of the Fifth Meridian, which land was patented in July, 1911, to Joseph Big Charles as a free grant.

The facts of the case, as they appeared at the time, are set forth in my memorandum of the 19th October last (marked) and the Agent of Dominion Lands was, in accordance with your directions, advised accordingly.

The applicant has since filed here a statutory declaration duly corroborated stating that "Through some misunderstanding or through the fact that my evidence was not properly interpreted, I was made to say before the Half-breed Commissioner in 1899," " that I was living with Big Chas. Montagnais and that it was my permanent residence." " This is an error. Chas. Montagnais is my father-in-law and I sometimes visit there for a while.

In my opinion, this case should not be re-opened, Big Charles' grant having been made in accordance with evidence furnished the Department. I do not consider either that Mistanosk ~~should be granted~~ another quarter section in satisfaction of his claim.

Respectfully submitted,

Sir,

Adverting to your letter of the 11th April last, reference No. 1[illegible], in relation to the claim of Mr. Oliver Goosekeeper for a free grant of Lot numbered 1[illegible], Big Prairie Settlement, I beg to inform you that the Department has no record other than Mr. Goosekeeper's statement of his having made declaration before the Treaty Commissioners in 1899 or before the surveyor who surveyed the land and that, before his application may be further considered, it will be necessary for you to obtain a Homestead Inspector's report giving full particulars in this regard and setting forth the date upon which the applicant went into occupation of the land, the dates of residence performed by him and the nature and value of his improvements.

In this connection I would point out that the Department has on file an application made before the Treaty Commissioners in July, 1899, by Mr. Jean Baptiste for the following land:

"On Big Prairie, about ½ mile from Louis Tobin's claim near to the Little Salt Lake to the N.E. of it and north-west of Tobin's place on the southern slope of Big Prairie, ¼ of a mile from Athpasca lake trail on the south side."

and as the same almost from the description is definitely located it is desired that you take the necessary action to ascertain to what parcel it applies.

4th October, 1910.

Sir,

(t) reference to your letter of the 11th October last file No. 1117, in relation to Lot 15, Senior Love Settlement, I am directed to inform you that the judgment of Ewing Local at Regina on the 27th November, 1909, file here on application from Mr. Levior St. Arnault wherein he stated that he been residence on this lot in 1906 and had lived on it every summer since. His claim was opposed by the statutory declarations of Henry. Wm. Scott and Sidney J. Travers who stated that according to their personal knowledge Mr. St. Arnault was living on and had peaceable and undisturbed occupation of the land prior to the 1st January, 1907.

In view of Mr. Louis Gallion's representations, I am to request you to have fully and carefully investigated the circumstances under which Mr. St. Arnault obtained title and if his claim is based on facts. The investigation should also specially cover Messrs. Gallion's and St. Arnault's claims and endeavour fully to ascertain what person is entitled to the land in question.

I am to add that it is observed that, in the statutory declaration of Mr. Gallion which accompanied your letter above referred to, he states that he is not making declaration before the Crown Commissioner in the County of Lisgar and, in his absence, it may that there is no Commissioner before whom declaration can be made within reach of Dominion Lands

Sir,

I beg to acknowledge the receipt of your letter of the 14th ultimo, File No. 1141, with enclosures, in relation to the conflicting claims of Messrs. [illegible] and Xavier L. [illegible] to set aside Lot 2, Corner Lake Settlement, Patent for which was issued to the latter on the 3rd June, 1910, and to inform you that, in view of the evidence filed, Mr. [illegible]'s claim could not be further considered. In this connection, I may add that, in a declaration executed by Mr. [illegible] before Deputy Commissioner Taylor, he claims residence on what would appear to be the said Lot 2 from August, 1906, and, in a declaration executed before Dominion Land Surveyor [illegible] in August, 1907, he claims residence on the S. E. ¼ of Section 13, Township 71, Range 6, West of the 4th Meridian, from 1906. As he could not be in occupation of both parcels of land at the same time and as Patent for the latter has been obtained by him, Mr. [illegible] to the said Lot 2 must fail for this reason since he appears to be entitled to no consideration.

Sir:

Lot 8, Locat. Slave Lake Settlement.

I beg to acknowledge the receipt of your letter of the 15th ultimo requesting the issue of patent for the above land in your name.

In reply I am to point out that you were granted entry for this land on the 14th November, 1911, but your entry was cancelled in November, 1915, as you filed a declaration of abandonment stating that the land was unfit for agriculture being too brushy and stony. Later in April, 1916, you applied to be allowed to make entry again for the land, and on the 7th June, 1916, you were advised by the Agent of Dominion Lands at Grouard, Alberta that if you desired to make entry you should appear at his office and bring the necessary authority which was issued from this Department. This letter from the Agent is the one which was enclosed with your latest letter dated the 15th ultimo.

Apparently you never made second entry for the land, and consequently your application for patent could not be considered. According to the records of this office the land is still vacant, and for up to date information you should apply to the Agent of Dominion Lands at Peace River. If you wish to make entry for the land you should present the letter of authority which was issued to you from this office on the 17th November, 1915. If this letter has been lost it will be necessary for you to apply to this office over your own signature for the necessary authority.

Your obedient servant.

Sir:

Lot 6 Lesser Slave Lake Settlement.

I beg to acknowledge receipt of your letter of the 30th ultimo with reference to the improvements that were on the above land when you abandoned same.

According to our records this land has not been re-entered for, consequently there is no money on hand to be refunded. It would appear from your communication that it is your desire to re-enter for this or other land. I am therefore to advise you that, provided you have made no use of my communication of the 17th November, 1915, and will not make any use of the same, should it come into your possession, but will surrender it to the Agent of Dominion Lands, the presentation and surrender of this letter to any Agent of Dominion Lands will serve as his authority for granting you a fresh entry for any vacant and available land on the ordinary terms.

Kindly note that if you are indebted to the Department for Seed Grain, you are only permitted to make a fresh entry subject to the transfer of such Seed Grain indebtedness to the land for which you may enter under the authority of this letter.

Should the above land be available for entry, this is not to be taken as an indication that you will be given any prior right of entry as you will have to take your chance with the general public.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

FORM H A

A statement from the Seed Grain Branch reveals the fact that there is indebtedness charged against the land to the extent of $72.21 and interest.

A certified copy of Letters of Administration of the late entrant's estate has been filed in the Department, administration having been granted to Arthur George Browning of the City of Edmonton as Official Guardian for the Province of Alberta.

Identity of this soldier appears to be established by the certificate of enlistment as filed by the Agent, and letter of the 23rd January, 1918, from the Military Hospitals Commission giving his Regimental Number, name, Battalion and land.

The purchase price of the land has not as yet been completed.

It would appear that upon payment of the purchase price of this quarter-section that action could be taken to issue Letters Patent forthwith in the name of the administrator subject to the indebtedness to the Crown referred to herein.

DO NOT WRITE ABOUT MORE THAN ONE SUBJECT IN THE SAME LETTER. WRITE CLEARLY AND GIVE NAME AND ADDRESS

Posting of Soldier Settlement Land.

191

Notice is hereby given that after the expiration of 10 clear days from the date thereof, that is, on and after the 19th Sept. 191 9 , the E.½ ½ of Section 6 Township 28 Range 8 West of the 4th Meridian, will be available for entry, provided the land is of the class suitable for farming and is unoccupied, as follows:—

On the day last above mentioned the privilege of entry either as an ordinary homestead or as a soldier grant is restricted to a "settler" as defined by the Soldier Settlement Act, eligible to make entry who holds an adjoining quarter section as a homestead or soldier entry, or who obtained homestead patent for such quarter section and is still the owner thereof, or who was a squatter before survey on such quarter section. The regulations relating to conflicting claims by adjoining settlers will be found in full at the foot of this notice.

On the succeeding day and thereafter (unless entered for or reserved for an adjoining settler) the land will be available for entry—

(a) as an ordinary homestead by any person eligible to make homestead entry who is on active service in the Naval or Military Forces of His Majesty or of His Majesty's Allies either in person or by proxy;

(b) by a "Settler" as defined by the Soldier Settlement Act as an ordinary homestead, provided such settler is eligible to make homestead entry;

(c) by a "Settler" as defined by the Soldier Settlement Act as a soldier grant.

Paragraph (c) of Section 2 of the Soldier Settlement Act, 1917, defines "settler" as follows:—

"settler" means any person who enlisted in the naval or military expeditionary forces of Canada during the present War or who was engaged in active service in the present War on the part of any of the allies of His Majesty the King of the United Kingdom or of any self-governing Dominion other than Canada or who was a British subject resident in Canada when the War broke out and engaged in active service as aforesaid with the naval or military forces of His Majesty's allies in the present War and who has been honourably discharged, and the widow of any such person who died on active service.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless made by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the *local Agent* (not Sub-Agent).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10. According to evidence on file in this office there are improvements upon the land stated to be worth $ .....

Payment for Improvements.

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent *the full amount of his valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

Payment of Indebtedness Charged Against the Land.

The following indebtedness is charged against this land $ ..... If the amount collected for improvements is not sufficient to make up this indebtedness the applicant for entry is required to pay the full amount before he can make the first payment of Indebtedness.

[illegible] Agent of Dominion Lands or ~~Homestead~~ Inspector

for the [illegible] District.

The homesteader explained that his wife refused to consent to his enlistment and he was discharged.

On the 24th March, 1916, Frank V. Walter, of the 37th Battalion, stationed at Toronto advised the Agent that Oszust was not in residence when he applied to enlist and was not in residence for nearly a year before.

The Agent instructed the Homestead Inspector to furnish a report. The report is now to hand dated the 14th of July, in which the Inspector states:-

"I could not obtain definite dates of residence but neighbours including Mr. Van Horn on Section 9, Mr. Stillwell on Section 21, and Mr. Jarmin, Post Master at Mirrores, stated that the entrant had performed ample residence to entitle him to patent for homestead. I attach hereto affidavit of Mr. McKinstry of the S.½ 16-13-4-4, to the effect that the entrant had not been on the land since the fall of 1914, but I could find no one in the vicinity who would corroborate this and from my own observations I would not consider Mr. McKinstry a disinterested witness. I was informed by one of the neighbours that the entrant intended to return to the land this spring but that at present he was in hospital at Saskatoon, and if that is found to be the case I would recommend that he be given a liberal amount of time to return to the land and complete his duties. Neighbors state that he was an industrious settler."

From evidence on file (declaration of 11-April/13 & letter from F.C. Wilson on behalf of the homesteader 31-12-13) it is evident M Oszust did not perform the residence in 1912 & 1913 as claimed in the application for patent, and should be called upon to furnish satisfactory proof that he has performed 6 months residence in each of these years —

Dear Sir,

Re. EUGENE OSZUST - N.W. 1-16-28-4-WEST 4th MERIDIAN.

With reference to this property, for several months past we have been trying to get the Government to issue the Patent for the above described land. A Homestead Inspector's Report was requested and we learn from the Dominion Land Office at Calgary that this report was sent to the Department on 9th August and that no instructions have since been received. We trust the Department will be able to pass the application.

This man has had a great deal of misfortune recently and has been a couple of months in hospital from which he has just been discharged. He is in a very weak state, and will not be able to do any work possibly until Spring or a couple of months. He has a wife and three small children to support, and if the Government can show any consideration towards him, if such be necessary, and issue the Patent as speedily as possible, it would be appreciated, and would help this man considerably. We believe that at the present time he is under the necessity of securing assistance from the Municipality.

Kindly let us hear from you by return mail, and if the Patent cannot be issued, we would be glad to learn full particulars of what is required, so that we may take the matter up with our client.

Department giving us this information and you can rely upon it that the writer will not allow the information to be used improperly, and would not wish the Department to grant the Patent unless satisfactory evidence as to residence can be procured. In view of this explanation, we trust the Department will be able in this particular case, to supply us with a copy of the file in so far as same contains any particulars as to residence whether made by Ozust or by others. We trust that in the meantime, until this matter can be cleared up and particularly, until the opening of Spring, this homestead and Pre-emption will be protected. If Ozust can get Patent for his homestead he would then be able to get a little money on it and take up actual residence and go ahead with his farming operations so as to secure title for the Pre-emption. We shall be glad to hear from you.

and was to count and therefore it did not matter which, and not realizing that it might be of any importance to state the two facts that part of the time he was on his homestead putting up buildings and the rest of the time on his brother's homestead where his parents were living, he made the one statement on one occasion and the other on another but we cannot see that there is anything wrong about it in the sense of making it a ground for charging against the man that he was furnishing information carelessly, or untruthful information in regard to his actual residence. Then again, in your letter of 12th. October you state that on 26th. October 1914, a Homestead Inspector reported that he had been in residence from February 1914 to 1st. October of that year. Apparently in no statement made by Oust does he appear to have claimed residence for part or the summer or 1914, but there can be no question that the Homestead Inspector would not have stated that he had been living on the homestead during that time unless he had satisfied himself that such was the case. It is therefore more than likely that Oust made a mistake and our reason for wishing to secure a copy of all the information on the file now is so that we may take it up with him, pointing out apparent discrepancies and by trying to get him to trace month by month where he lived and what he did, with the assistance of the information on the file, decide on what is the true facts of the case. We think on account of his immediate neighbour, Mr. Henry, being prepared to swear that he is satisfied that he has done his homestead duties, there would be nothing wrong in the

The Secy. Department of the Interior (Cont'd.)

information is lacking to explain the apparent conflict. For instance, in your letter of 12th. October you say that the homesteader made a statement that he had lived on his brother's land from 15th. June 1912 to 7th. December 1912, while on another occasion he stated that he had lived on his homestead from 21st. June to 1st. July 1912. Construed in the strictest sense, these statements may be in conflict but when the explanation is furnished and the question looked on from the homesteader's point of view in the matter, we think you will agree that there is no real conflict. The fact, we believe, is that between the 15th. and 30th. of June or 1st. of July, the homesteader whose actual Head Quarters or home at the time was on his brother's farm where his Mother was then living his father having been killed about that time when a cyclone destroyed his buildings, went on to his own homestead, the North West of 16, for the purpose of erecting buildings thereon and for that purpose from the 15th. of June to the 30th. of June, or 1st. of July, did actually sleep on the homestead while putting up the buildings. Then he returned to his brother's farm where his mother was living, and continued to reside there until some date in December. At one time he states that he was living on his brother's land where his mother was living, from 15th. June till some date in December. At another time he remembers, and possibly wishing to be more accurate as to detail specifies that he was living on his own homestead during the time he was putting up the buildings. The way he looks at the matter is that residence either where his parents were living, or on his own

The Secy. Department of the Interior, (Cont'd.)

a statement he could not now, from recollection, make a definite statement as to his residence. He could however, state quite positively, and as far as the writer could judge, honestly, that he had actually performed the residence duties required according to the terms of the Act, namely, six months in each of three years, and McKinstry who is living on the said East half and was on his way back from a visit to the United States, having met Ozust quite by accident, told us that he could be prepared to make an Affidavit, although he could not specify exact dates, that he was quite satisfied that Ozust had performed the residence duties required by the Act. He said that his reason for being able to so was that he remembered having made the statement a couple of years or so ago that he was satisfied Ozust had lived the necessary time to prove up on the homestead but not the pre-emption. He gave as his reason for being definite about it, that he remembered particularly stating that he was quite sure about the homestead but that he was equally sure that he had not performed enough residence to prove up on the pre-emption. Ozust says that he can get several of his neighbours to testify on oath that they are satisfied that he performed the necessary residence duties to entitle him to Patent to his homestead but not for the pre-emption. In your letter of 10th. October you draw attention to various dates which you state are in your opinion, in conflict but while viewed in a certain way that may be a correct statement, yet we think that it would be readily apparent to any one conversant with such matters, that these different statements are not in point of fact actually in conflict but that certain additional

a lapse of time or parties have forgotten dates, that if the party has actually done the residence required by the Act and could by reference to the information on the Department file, said information on the Department file being the only information of a documentary nature now available to the homesteader in connection with the matter, to deny the homesteader access to that information thereby causing him the unnecessary hardship of again performing residence which, if the material on file were examined and the true facts put in proper form by some person experienced in setting forth or sifting evidence, the Department would readily be convinced that the necessary residence duties had already been performed and would therefore be prepared to issue Patent. You wrote a letter dated 12th. October 1916 to Mr. Ozust, copy of which is before us. The writer was at Saskatoon where Ozust now lives, about a week ago and took the file along and had an opportunity of discussing the matter carefully with him and particularly we went over the statements contained in your letter to Ozust dated 12th. October, 1916. Ozust had no writing or memos in regard to his residence, available, and therefore was depending upon his recollection. He happened to meet in Saskatoon, the evening we discussed the matter with him, the homesteader who lives on the adjoining half section and he brought that man, namely Gilbert McKinstry along when he called to see the writer. Ozust owns the West half and McKinstry the East half of the section. It was quite evident to the writer in discussing the matter with Ozust that without some

We duly received your letter of 22nd. November to which we have been unable to reply being behind with our work on account of our office staff being depleted almost to nil by men joining the Military. We note your statement that it is contrary to the "practice" of the Department to furnish the information as to previous statements made by the homesteader in regard to his residence and other duties. With due respect, we submit that nothing can be gained by the Government by such an attitude in a case like the present. The homestead was taken up on 2nd. September 1911, over five years ago, and as people of this class do not keep a record of time and dates, it is naturally difficult for them, after the lapse of several years, to recall dates accurately and it would therefore be an easy matter for such a person, under the stress of trying to secure title for his land, being much in need of same, to make statements at different times as to dates which possibly would not co-incide exactly and it might be that such statements, although differing to a considerable extent, might on investigation and inquiry prove to be quite capable of explanation or adjustment by checking them up with some other circumstances, without any fraud being committed. It is in our opinion however, unreasonable the Department to take the attitude, simply because there has been

Dear Sir,

I have yours of the 18th, and have gone into this matter fully. The difficulty is that in his application for patent Mr. Ozust claimed one set of dates while his previous statements claim residence for other periods altogether. In his statement of the 3rd March, 1913, he gives us to understand that he had resided with his mother on Section 23-30-3-West 4th Meridian, from the 22nd June to the 1st July, 1912. He made no reference to any other time put in by him up to the date of his statement.

Cancellation proceedings were taken against his entry in April, 1913, and Mr. Ozust then wrote explaining that about the 1st of July, 1912, a cyclone struck his father's place and demolished the house, killing his father and injuring his mother. For this reason he resided with his mother and took charge of the stock, but he stated he had been on his own homestead since the 1st February, 1913. A report from our Inspector dated the 26th October, 1913 shows that Ozust had performed residence from February to October, 1913.

A special application was made to the Department to have Ozust allowed the time between June 1912 and February, 1913 to count as residence duties, being the period he -lived-

Sir:

I have received from the Registrar of Lands, Department of Mines and Resources, Ottawa, your letter of the 15th May, number 48-/410, concerning the citizenship of one George Eugene Ozey or Oszust.

In reply, I have to inform you that according to the files of this Department, one James Oszust, a farmer, of Andrlach, Alberta, of former U. S. There is no means of knowing whether or not this record has reference to the status of George Eugene Ozey or Oszust, and it would be necessary, therefore, to obtain from Mr. Oszust, the particulars of his case. The letter from the Registrar of Lands, dated the 22nd May, 1941, reads in part as follows:

"Where is record in this office of homestead and pre-emption entries having been granted to Peter Ind, Lail, for the N.W.¼ and S.W.¼ respectively of Section 14, Township 23, Range 4, West 4th Meridian to Eugene Oszust, alias, born in Germany, a citizen of the United States of America. Ottawa, Ontario, Canada

Sir:

Referring to our communication to you dated May 16, 1941, and letter from the Under-Secretary of State, Naturalization Branch, Ottawa, dated June 16, 1941, in which it is indicated that the records of your office show that one Eugene Oszust filed on land designated as N.W.¼ and S.W.¼ respectively of Section 16, Township 27, Range 1, west 4th Meridian, and who furnished a certificate of naturalization apparently dated March 27, 1914.

It will be greatly appreciated if you will inform this Service as to the place of naturalization, and as to whether or not your records show any personal history or such data that might serve to identify the person George Eugene Ozey or Oszust who is under investigation by this Service with the Eugene Oszust who filed on the above mentioned land.

The subject under investigation at this place is rather indefinite as to the time that he spent in Canada and his whereabouts and activities there.

Respectfully,

Geo. W. Tyler

Dear Sir,

In your letter of July 8th, your file No. 386/410, you asked for further information regarding the entrant for the W. of Sec.16, Tp.29, Rge.4, West 4th M., Mr.Eugene Oszust.

When applying for entry for the land on September 2nd,1911, this man stated that he was single, born in Galicia, Germany, and was a citizen of the U.S.. He had been living in North Dakota, the town mentioned appears to be Wilton. In a statement dated March 3rd,1913, he stated that he had a wife and one child and had been living on his mother's land, Sec.23-30-3-W.4th M. While absent from his homestead he had been working at the carpenter trade in Saskatoon. He stated that, besides farming, he drilled wells. His father was killed by a cyclone about July 1st,1913, and his mother badly injured. That was given as the reason for living with his mother instead of on his homestead. In another statement dated in April 1913, he stated that he was 23 years of age and mentioned having been laid up with a broken rib and his wife having been ill in hospital (Mrs. Arnold's Hospital) in Saskatoon. Application for homestead patent for the North West quarter section was dated January 8th,1915, and in support of the application a certificate of naturalization dated March 27th, 1914, was furnished. The certificate was returned on March 20th,1918, to Oyen,Alberta.

In 1920 the homestead inspector reported that Mr.Oszust was working for the Canadian Pacific Railway at Brooks and did not intend to finish the duties necessary to obtain patent for the preemption, the South West quarter,and this quarter section was cancelled on October 18th,1921.

It is noticed that Mr.Oszust sometimes signed his name "E.G.Oszust". I have no information regarding the place of naturalization.

I trust that this information may be of assistance.

Yours very truly,

J.Lorne Turner,
Registrar of Lands.

[redacted]

Dear Mr. Duggan:

Our Seattle office received a letter from your Department dated June 16, 1941, the final paragraph of which read as follows:

> "There is record in this office of homestead and pre-emption entries having been granted September 2nd, 1911 for the N.W.¼ and S.W. ¼ respectively of Section 16, Township 29, Range 4, West 4th Meridian to Eugene Ossust, single, born in Germany, a citizen of the United States of America. His certificate of naturalization, furnish in support of his application for homestead patent, appears to have been dated March 27th 1914 but the year of issue is not distinct."

On April 19, 1943 the following letter was received from your Department:

> "I have received your further letter of April 5, file #386/410, concerning the status of Eugene George Ossust or Osey or George Eugene Ossust and in reply have to state that the files have again been examined and it has been found that one Eugene Csust a farmer of Tp. 29, West of the 4th Mer., Fairacres, Alta., of former American nationality was naturalised locally through the Supreme Court, Calgary, Alta. the 27th March, 1914. It is possible that this record has reference to the naturalization of the person in whom you are interested."

This person is now the subject of deportation proceedings and it would be appreciated if you would furnish this office all identifying information that may be contained in your records relating to Eugene Csost, who was naturalised at Calgary March 27, 1914. The information we would particularly like is date of his arrival in Canada; location of former U.S.residence; marital status; wife's name, date and place of marriage, if married; also any other information shown regarding wife; names, dates, places of birth of any children; etc.

Dear Sir:-

N.W. 16-29-4-W-4th Mer, Homestead,
S.W. 16-29-4-W-4th Mer, Pre-emption.

I have a copy of your letter of the 17th April, which was addressed to J.E. Duggan, Registrar, Department of Citizenship and Immigration, Registration Branch, Ottawa, relative to your enquiry as to one Eugene Oszust, who was naturalized at Calgary on the 27th March, 1914.

Our records indicate that one Eugene Oszust applied for homestead and Pre-emption entries on the 28th August, 1911, for the above mentioned lands. In his applications he stated that he was single, Country of Birth, Germany, Subdivision of Country of Birth, Galacia and last place of residence Wilton, North Dakota.

In a sworn statement dated the 3rd March, 1913, in support of his homestead entry he stated that he had a wife and one child and that he had been living with his parents in the neighbering district on Section 23-30-3-W-4th Meridian, at Fairacres, Alberta and that he had been working as a carpenter at Saskatoon, Saskatchewan. He also stated that his other occupation was well driller. The foregoing evidence was submitted in support of his absence from his homestead.

On the 11th April, 1913, he forwarded another sworn statement in support of his absence from his farm wherein he stated that his father had been killed by a cyclone in July 1912, his mother was injured and that his wife was a patient in Mrs. Arnold's Hospital at Saskatoon, which necessitated his presence at his Parents' home to look after the cattle and management of the farm.

In his sworn statement dated the 8th January, 1916, in support of his application for Patent for his homestead, which was issued per his name, Eugene Cazaut on the 17th April, 1918, he gave his age as 24 years and stated that his family consisted of his wife and two children.

Letters Patent for his Pre-emption entry S.W. 16-29-4-W4th Meridian, were never granted as the said entry was cancelled on the 7th October, 1921.

I regret to inform you that we cannot be of any assistance as to the date of his admission into Canada, nor any information, relative to his wife's name, date of marriage, or names, dates, and places of birth of the children.

Yours very truly,

C.K. LeCapelain,

Referring to the report of Homestead Inspector Fleming of the 1st January last in reference to the pre-emption of Richard Xingery, I beg to say that as entry for the homestead has stood since the 30th June, 1917, and there is no record of the performance of duties, you are hereby authorized to institute cancellation proceedings under the five-year clause, notwithstanding the Winter protection, provided you are aware of no reason to the contrary. In the absence of a defence within the allotted time, there is apparently no reason why cancellation should not be carried out; cancellation of the homestead involving automatically the cancellation of the pre-emption.

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

In the case of the late W. J. Terrill you will observe that the letter issued by the Land Patents Branch states that the extension of time granted does not extend the period of the Certificate of Recommendation.

In the Burkholder case we referred the matter to the Land Patents Branch on the 19th November, 1920, suggesting that an extension of time should be granted.

In view of these facts, I do not see that we would be justified in raising any question with the Land Patents Branch but if you find any cases where that Branch is dealing with settlers who have been granted a Certificate of Recommendation, perhaps you could speak to Mr. Allison personally about the matter.

In reply I am to advise you that you cannot secure entry for this or any other land by sending your money through the mail. As your son is over eighteen years of age it would appear that he may be eligible to secure entry. He should therefore appear in person before the Agent of Dominion Lands at Calgary or Sub-Agent for the district in which the land is situated in order to make application for entry. If, however, he is not in a position at the present time to appear in person to make entry you could make entry by proxy on his behalf by appearing before the Agent at Calgary and executing the required declaration. Ottawa 13th June, 1910

Sir,

In reply to your letter of the 28th April last, to Mr. M. Clark, M.P., by whom it has been handed into this Department, respecting the issue of scrip to certain heirs of the late Francis Whitford, I am directed to say that the claim in question was allowed in 1885 by the Half-breed Commissioners at Calgary and scrip for $160.00, not land scrip which you would appear to think the heirs are entitled, was divided among the heirs of the deceased, as follows:-

Jane Whitford, his widow	$13.00
Annie Blayoune, his daughter	13.00
Lottie Greenwood, his daughter	13.00
Catherine Whitford, his daughter	13.00

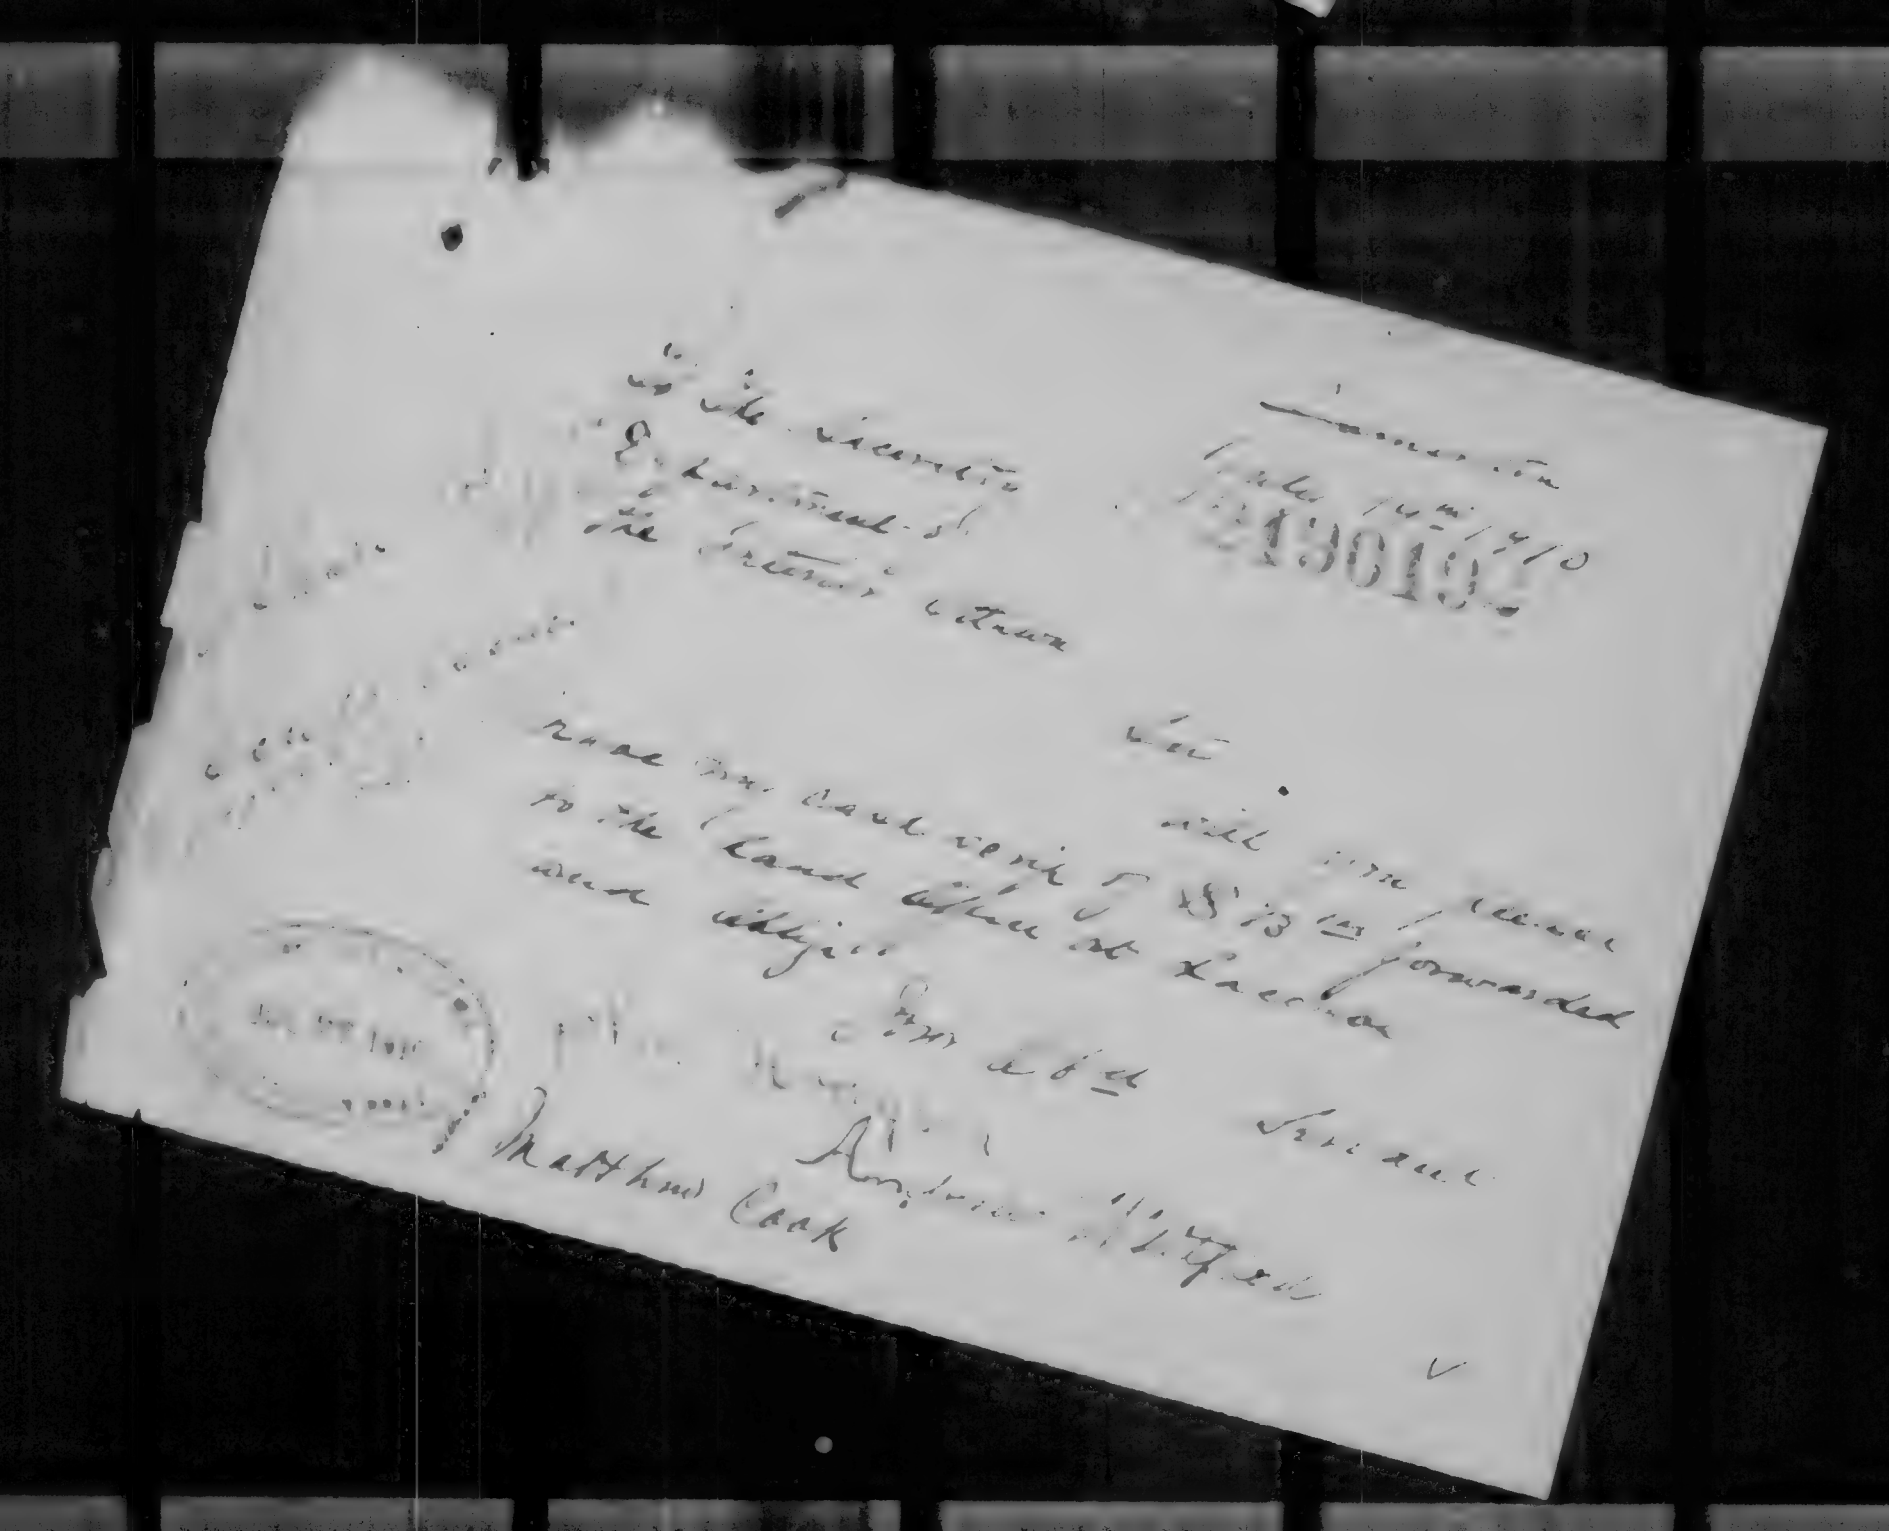

These shares of scrip were delivered at the time, but the following heirs have not yet received their respective shares, amounting to $13.00 in each case, namely:---

Margaret McAllister, nee Whitford	$13.00
Archibald Whitford	13.00
Frank Whitford	13.00
Mary Whitford	13.00
Lizzie Whitford	13.00
Andrew Whitford	13.00

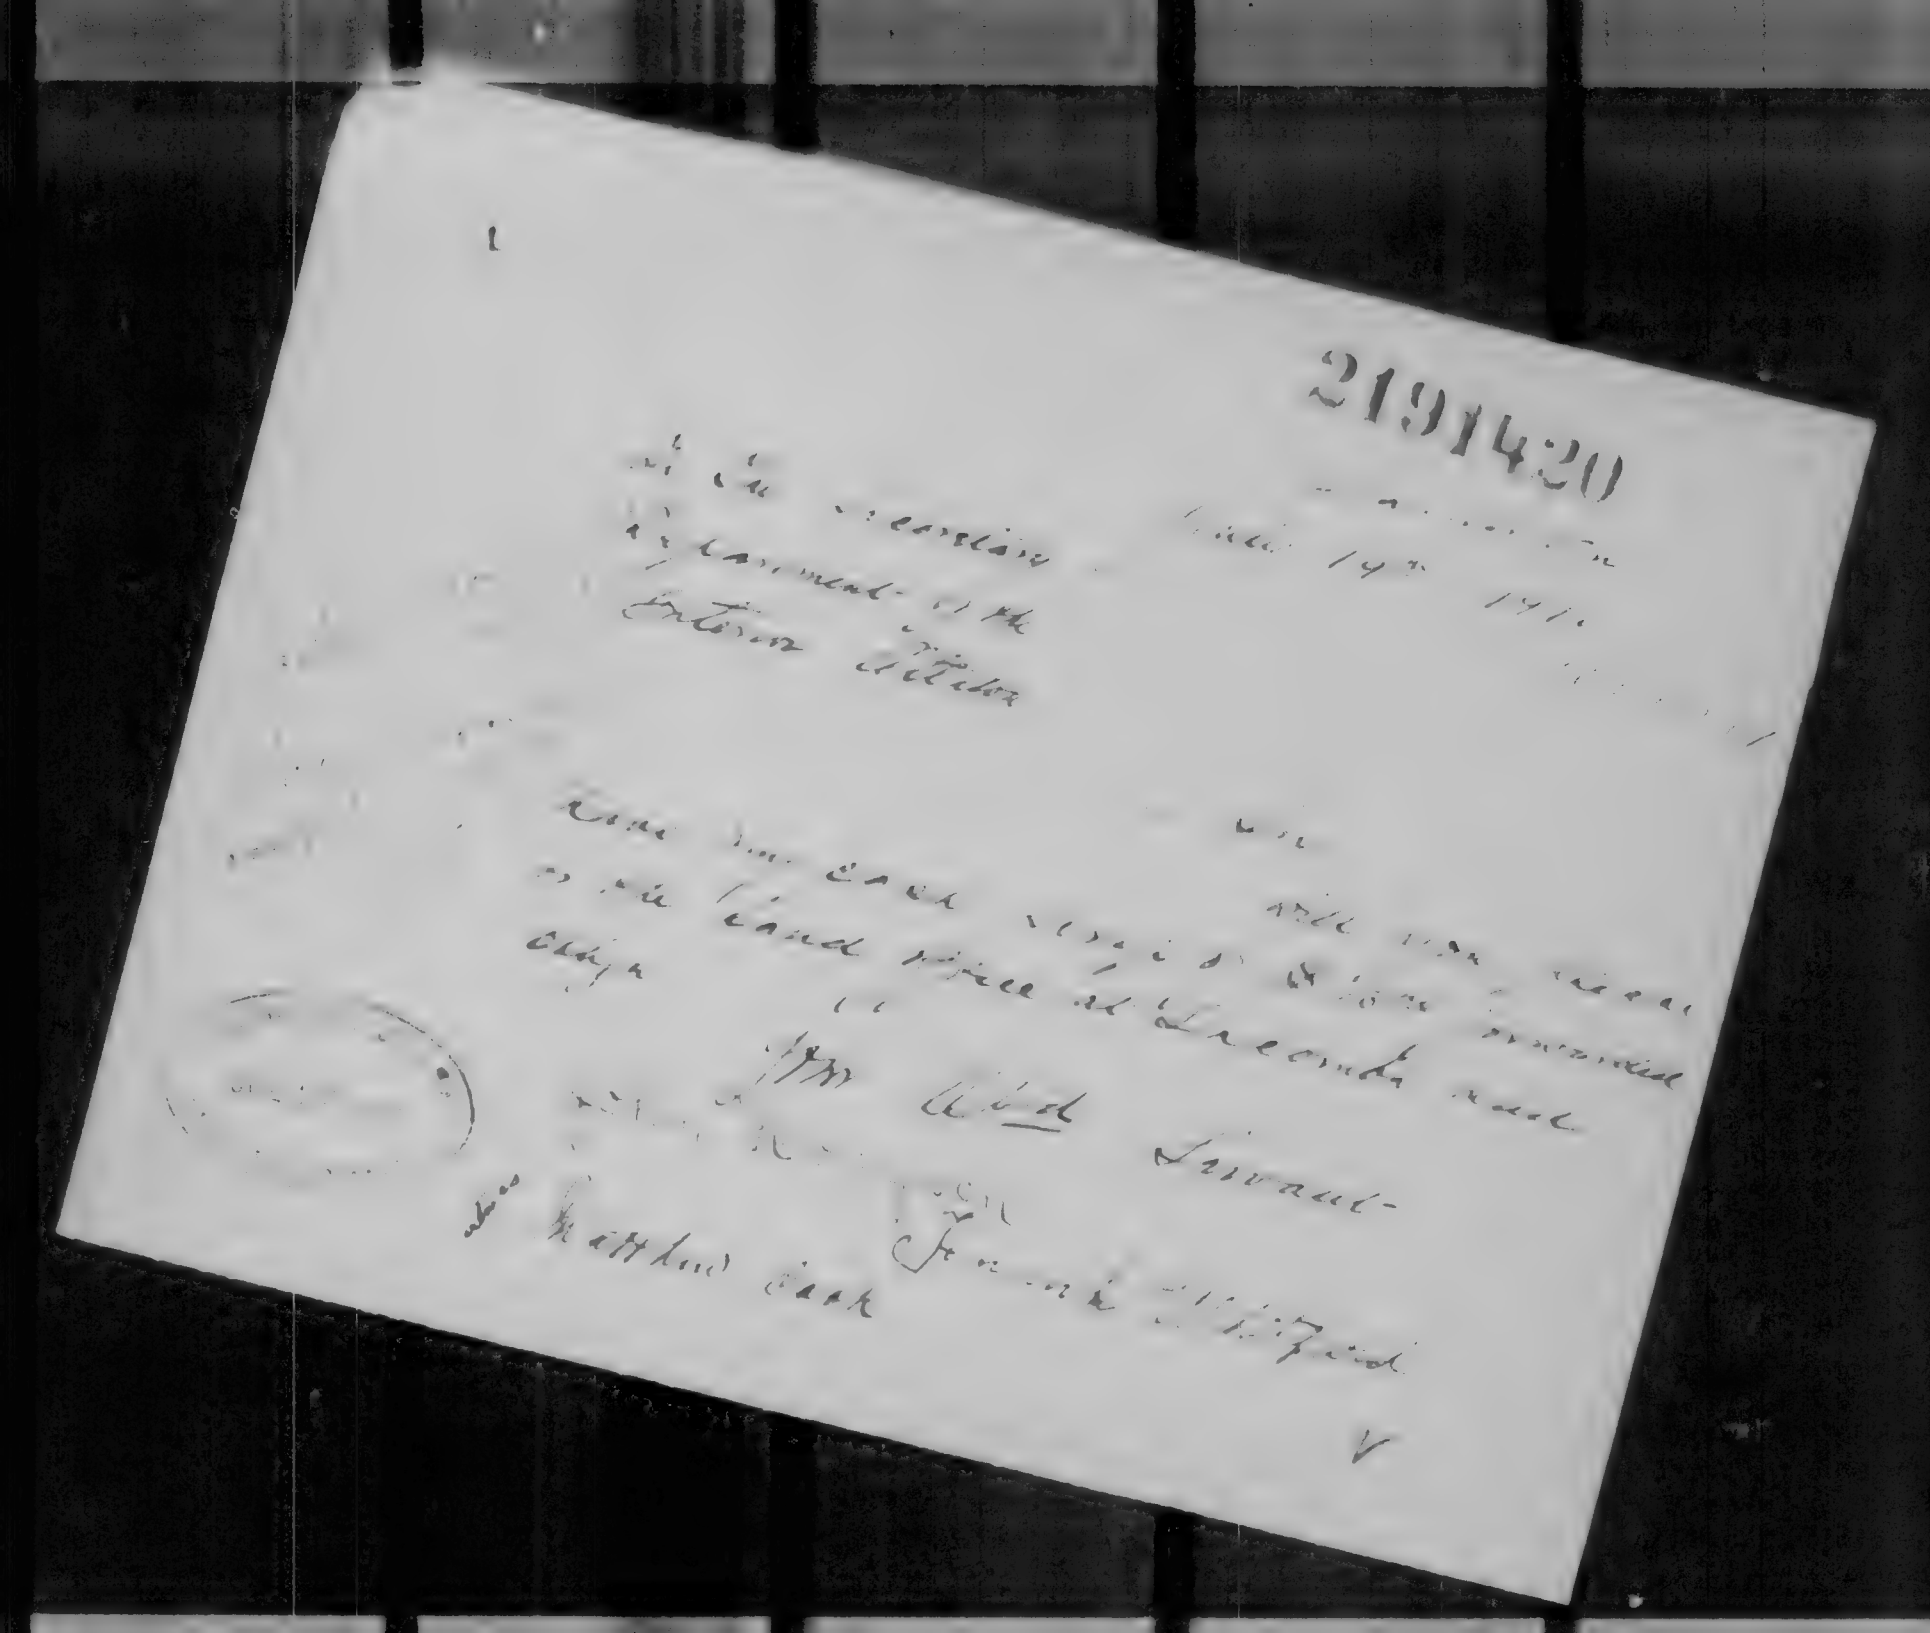

The undelivered shares in this case will be issued and sent to the Agent of Dominion Lands to be delivered

Matthew Cook, Esq.,
Lamerton, Alta.
